Summary: Just a little something on how Kari feels about her brother.

She really seems to worship him, so I wrote a poem on it! Please  
R/R!!!

I'll Never Be Alone

I'll Never Be alone

He is always there

To look after me

He's the one to always care

Every morning it's him I see

I would do anything for him

And I know he'd do the same

Though sometimes he does things on a whim

When I was in trouble, he was the one who came

He can be bossy, yet never mean

Often he gets in a fight

It seems he's really keen

To prove that he has might

I love him always

Though sometimes he tries to be someone he's not

He drives others into a craze  
They get mad at him a lot  
Though really it's not his fault  
He just wants the best  
He'll often call a halt  
He checks on all the rest  
I know the person inside  
The indecisive and uncertain child  
Yet he'll never run and hide  
His temper's never mild  
He's great in all ways  
Always ready to be brave  
It sends me into a daze  
Though he sometimes starts to rave  
Because I know I can always count on him  
From blue sea to desert sands  
Through the thick and thin  
I put my life in his hands  
And though we are trapped here  
With no way of getting home  
I know I'll never have anything to fear  
I'll never be alone

End  
file.
